

Statement of Funding

P.O. Box 12649
Salem, Oregon 97309-0649

The purpose of this form is for you to show the Lottery how much money is required for you to open and operate this business, and where that money comes from. The Lottery may not contract with you if you do not have adequate funds to operate and maintain the business, or if your funding is from a prohibited or unacceptable source.

In the space below, show that the actual costs associated with the purchase of this business. If you have owned this business for more than one year, show your monthly costs associated with the operation of this business (i.e. equipment purchases, lease payments, insurance premiums, and any other monthly expenses). The original purchase price was \$_____. If you have owned this business one year or less, record your total purchase price below (including outstanding debt as well as down payment). Fill in all other applicable expenses.
